

Ausdance NSW is currently investigating further opportunities to assist the critical issue of affordable and appropriate dance rehearsal space in Sydney & Western Sydney. We would appreciate your feedback in regards to what you require a dance space for and how you would require the studio time to be structured.

Dance Space Feedback

In one session, what length of time would you use a dance space for?

- 1-2hr 2-3hr 3-5hrs All day other _____

When undertaking a *creative development process* or the *development of dance practice*, what amount of time is required to achieve a satisfied outcome? (e.g. hours in total over whole process) Please select:

- 10 hrs 15 hrs 30 hrs other _____

How would you prefer the dance space time structured? Please select:

- an intensive block full week sessions other _____
 one day / week for consecutive weeks intermittently when required

For what purpose would you use the dance space? e.g. rehearsals, creative development phase 1, creative development phase 2, development of own practice?

What would your requirements be for the dance space? e.g. wooden floors, mirrors, change-rooms, technical equipment.

Would you be interested in rent subsidy for a dance space to use for development of your work or dance practice?

Please select. I am.....
