Connect Studios provides a much needed rehearsal and workshop venue and facilities for emerging and established live and digital performance artists and organisations in western Sydney area and for those interested in working in Parramatta and Sydney's west.

Principally, Connect Studios is for the professional and career development of performance and associated artists who live in Parramatta and western Sydney or who have an interest and commitment in exploring performance in Sydney's Greater West. By connecting performance artists and organisations with other artists, organisations, ideas, skills and styles of work, Connect Studios aims to promote new and interesting live and digital performance. It will facilitate employment opportunities in performance in Parramatta and western Sydney by building capacity in the sector and by up-skilling current and potential performance artists.
