

THE UNIVERSITY OF  
SYDNEY

## WANTED FEMALE DANCERS!

Female dancers wanted for a research study investigating the effect of footwear on dance performance.

Are you:

- Female?
- An elite/pre-professional/professional dancer?
- Aged 17-35 years old?
- At a ballet level of RAD Intermediate 2 (equivalent) or above?
- Injury free?

Dancers will be required for a 2 hour testing session at Sydney University, Cumberland Campus, Lidcombe. Testing requires the dancer to perform sautéés in 2<sup>nd</sup> position in different dance shoes. Reimbursement towards time and travel will be offered.

If you would like to be involved please contact Alycia Fong Yan on 0412 112 178 or by email [afon6063@uni.sydney.edu.au](mailto:afon6063@uni.sydney.edu.au).
